PREZ SEZ

Region 1 Choir Boys. We had a great ride this past weekend. The weather was just right and the ride went smoothly. This was the Buckeye Fire Chief Langford memorial ride. There were about 25 Choir Boys and friends that participated. We had great Burgers and lousy service. It took forever to get someone to take our order. We had one Choir Boy that won the main raffle prize.....ME. lol Two tickets to NASCAR at PIR in April.

The Hogs for Hero's ride is coming along nicely. Jesse will give us an update at our next regular meeting on the 20th. We should have flyers for the State meeting on the 13th.

Speaking of Jesse, He and Lilly are doing great. They should be back to full work status in the next few weeks. Tami " Cat Eyes" is doing as well as can be expected. She said that she is getting around a lot better now that she can put a little weight on her leg. Chris Alonzo " Elvis" is back in the hospital as of 2/7/10. He will be having a heart pacemaker implanted to help with his heart problems. Please keep him in your thoughts and prayers. He is in Banner Baywood Heart Hospital.

For everyone that is wondering what is going on with "Irish Mike" I don't have any more information then what I gave out in earlier e-mails. As it stands now he has left the Choir Boys for personal reasons.

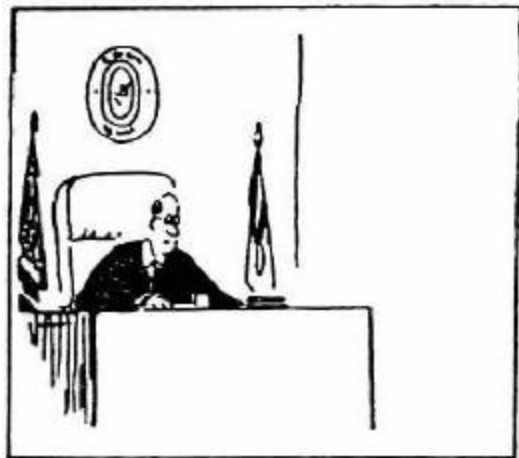

Keith " The Wall" has asked for a vote from the National Board on making Jim Fortier " Wolfman" the interim Vice President. I voted yes for Region 1. I know Wolfman. He was a past National President and a hard working Choir Boy. He was also the only other person to run in the last election for that position. If elected, he will hold the office for the next 10 months.

I hope to see a lot of Region 1 Choir Boys at the upcoming State meeting. It's on Saturday 2/13/10 at noon at the FOP. 19th. Ave and Sweetwater. The Bar and Grill will be open before and after the meeting.

RIDE SAFE.
Andy B. (Backdoor)

2. What is the name of the first Harley-Davidson minibike?

HUMOR

A Nun was sitting at the airport, waiting for her flights to Chicago.

She looked over in the corner and saw one of those weight machines that tells your fortune and thought to herself, "I'll give it a try and see what it tells me."

She went over to the machine, stepped up on the scale and put her nickel in. Out came a card that read, "You are a Nun, you weigh 128 lbs, and you are going to Chicago."

The Nun sat back down. She told herself that the machine probably gives the same card to everyone. The more she thought about it, the more curious she got so she decided to try it again.

She went back to the machine and again put her nickel in. Out came a card that read, "You are a Nun, you weight 128 lbs, you are going to Chicago and you are going to play a fiddle."

THE Nun says to herself, "I know that is wrong. I have never played a musical instrument even once in my life." She sat back down.

From out of nowhere a cowboy came over and sat down, putting his fiddle case on the seat between them. Without thinking, she opened the cowboy's case, took out the fiddle, and started playing beautiful music. Surprised at what she had done, she looked over at the machine, thinking, "This is incredible, I've got to try this again."

Back to the machine she went. Put in another nickel, and another card came out. It read, "You are a Nun, you weight 128 lbs, you are going to Chicago and you are going to break wind."

Now she knows the machine is wrong. She thought to herself, "I have never broken wind in public a single time in my life." Getting down off the machine she slipped and, as she was straining to keep herself from falling to the floor, she broke wind.

Absolutely stunned, she sat back down and looked at the machine. She said to herself, "This is truly remarkable, I have go to try this again."

She went back to the machine, put in another nickel and another card came out. It read, "You are a Nun, you weight 128 lbs, you have fiddled and farted around and missed your flight to Chicago."
